Enclosure No.

Sir.

I have the honor to request that as a matter of convenience Government may be pleased to designate me as "Officer in administrative charge of Plague precautions measures or more briefly Plague Commissioner I suggest this as the long-winded and round about designation of Inspector General of Police in administrative charge of plague preventive measures in addition to being inconvenient results in papers of the Plague department being sent

lends to the Police Department and vice versa
entailing no end of confusion and delay in
matters which should have the prompt &
attention hand to them. There is a Sanitary
Commissioner and Excise Commissioner and a
Plague Commissioner will not be an innovation.

I have the honor to be,
Sir,
Your most obedient Servant

Officer in administrative
charge of plague prevent[illegible]
